At Bast Amron, we recognize that with our success as lawyers comes an obligation to give back to the community and those less fortunate. We encourage our attorneys and staff to participate in Pro Bono cases, charitable work, and other community services. Each of our attorneys and paralegals participates in the provision of pro bono legal services to those in need. Indeed, in 2010 – just our second year in existence – the firm was awarded the **"PUT SOMETHING BACK PRO BONO AWARD"** from the Dade County Bar Association. As we have grown, we have continued our tradition of giving back to the community, with our attorneys regularly appearing in court for those who are unable to afford legal counsel. We also support numerous causes through community service and charitable giving by our firm and its individual attorneys. The causes we have served fall into many categories, including public education, socio-economic, environmental, religious, and historical.
